Dear Parent(s) of _____

As you know from our district letter explaining Multi-Tiered System of Support (MTSS), we have been providing additional support services to your child.

After reviewing your child's current assessments and progress, our Intervention Team has determined that your child no longer needs an additional level of support in the following area(s):

_____ Reading

_____ Math

We are pleased with your child's progress and at this time we are recommending: move back to Tier I.

We will continue to provide you with updates to your child's progress. If lack of progress again becomes a concern, we may need to consider additional support.

If you have any questions, please contact your child's counselor.
