SCHOOL-PARENT CONTRACT READING INTERVENTION

Dear Parents / Guardians of _____,

The State of Michigan requires all schools in Michigan to notify parents if a child is not reading where is expected. The law requires us to create an Individual Reading Plan (IRP) for any student in grades K-3 who, at any time, exhibits a substantial deficiency in reading.

Also, state law requires your assistance to help your child to succeed. As you know, your child's success is our primary focus. Helping to make sure your child is reading on grade level by third grade is one of the most important things you can do to prepare him/her for the future.

Reading with your child for 20 minutes per day, is a proven way to promote early literacy. We are happy to provide you with a Read-at-Home Plan, which includes strategies to help your child become a more proficient reader!

If you have any questions, please feel free to contact your child's teacher.
Sincerely,

_____ _____

Teacher Principal
