

Dancing

The equipment you will need for dance is a dance bag, dance shoes and a dance costume, and your music. These are the things you need for dance. The process is first you sign up, then you dance, third you learn your dance, fourth you practice, and last you try your best at the recital. So when you get off stage, you know what you're doing because you practice. Not like the other people, the best thing I like about dancing is the recital because you get to dress up in a dance costume and go on stage and make your place that you dance at look good because when you know the moves, it's a lot easier because it makes everyone think, "Wow, did I practice enough?" That's why I wrote about dancing.

BECAUSE IT SUPER
FUN TO DO AND YOU SHOULD
TRY. IT BECAUSE MAKE
YOU LIKE IT BUT YOU SHOULD AT
LEAST GIVE IT A TRY AND
WHEN YOUR RITUAL IS OVER YOU
WAIT UNTILL NEXT YEAR WITH AN
A LITTLE TIP IT IS HOT
ON THE RITUAL STAGE
IS IT ME PUT I DANCE
AND I THINK THAT THERE
ALWAYS TO LONG BECAUSE
YOU HAVE TO WAIT FOR
THE NEXT DANCER TO GO
ON AND YOUR WAITING
IN A HOT ROOM WAITING
TO GO ON A HOT STAGE AND
YOU CAN LOOK ON THE LIST
SO YOU KNOW WHEN IT'S
TIME TO DANCE AND YOU
GO ON STAGE AND GIVE
IT YOUR BEST BECAUSE
DANCING IS ONLY FOR FUN
AND WHEN YOUR WITH OLDER
KIDS YOUR MUSIC GET HARDER
AND A STEP TO DO BUT
LUCK IF YOU DANCE FOR A DANCE
WHILE THE WORK PAY OFF TO
THE END.
