

Drawing

Everyone has a hobby. Mine is drawing it shows your imagination. Because no one can see it drawing calms me it takes away frustration so on my free time I draw. I love drawing animals for people they turn out so good I just love it.

What you need
To draw you need a pen or pencil, paper. So that's pretty much all you need to draw forgot one thing a eraser in case you mess up like me. Also if you want to look at some thing use a iPad, computer, phone, ipod. That's what I use to draw. So that's what you need if you want to draw some day like me.

What you can draw
If you want to draw I will give you ideas if you want to draw animals or pets here are some ideas a dog, cat, bird, fish, elephant, lama, goat, turtles, panda. These are some animals or pets to draw.

Also some food you can draw apple,
pineapple that's some food you can draw.
There is alot of things you can draw.

Things I made

My top art pecic a potato duse,
sonic, elepent, unicorn, my elf on the
shelf and lot more. For crismas
it was a pencil and drawing
pad see you dont need a drawing
pad for drawing. These are some of
my best drawing.

Concloshion

This is stuff you need
to know about drawing. I hope
you draw after you read this.
I can't wait to see if you
draw some cool drawings.
