# Welcome to Your Experience

# 25 Things You Didn't Know

**During this session, collect five new pieces of information on how Discovery Education Experience supports:**

1. Timely and relevant content, personalized to you
2. Discovering and organizing resources
3. Creating, curating, and collaborating on content
4. Instructional strategies and professional learning
5. Learning, sharing, and connecting with others

# 1. Personalizing My DE

---

# SOS Instructional Strategies

- Over 100 creative, research-based instructional strategies
- Ideas for integrating digital curriculum resources in meaningful, effective, and practical ways

The screenshot displays the 'Instructional Strategies' website interface. At the top, there is a search bar and navigation icons. Below the header, a grid of colored boxes lists various strategy categories: Assessment, Class Evidence, Compare and Contrast, Inference and Prediction, Instructional Hook, Key Ideas and Details, Point of View and Purpose, Questioning, Research, Sequence, Summarizing, and Vocabulary Development. Below this grid, there are sections for 'Popular in Strategies' and 'New Strategies', each featuring video thumbnails with titles like 'Persuade Me', 'Placemat', 'Collaborative Reports', 'Circle of Viewpoints', 'Gone With the Wind', 'Act It Out', 'Read the Sign', 'Get in Line', 'Listen Up', and 'MVP'. At the bottom, there is a 'Summarizing' section with thumbnails for 'Concept Circles', 'The 4C's', 'Pause & Play', 'Eye Spy!', and 'Talking Sticks'. A 'Class Evidence' section is also visible at the very bottom with similar thumbnails.

# 2. Discover & Organize Resources

# Four Ways to Discover

## Keyword

Search by keyword

## Trending

See popular and recommended content

## By Subject

Browse by subject, topic, and grade

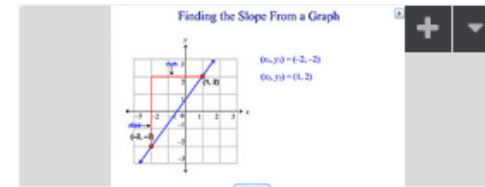

## By Standard

Find content that supports state and national standards

# Search: Resource Types

- Videos
- Images
- Songs
- Sound Effects
- Speeches
- Audio Books
- Games
- Interactive Skill Builders
- Math Overviews
- Boards
- Interactive Maps
- Encyclopedia Articles
- Channels
- Reading Passages

SKILL BUILDER

## Understanding Slope

Finds the slope of a line using a graph and discusses the slope of special lines.

GAME

## Punctuation Paintball: Level 3

Ready... Aim... Punctuate! That's what the arcade-style Punctuation Paintball game is all about. Hit the sentence boards with the right punctuation to score points. Level 3 covers capitalization and use of...

INTERACTIVE MAP

## The World

SONG

## Lodge McCammon Songs: Shake: Solids, Liquids, and Gases

Introduces the states of matter cycle by revealing how water particles react as they are heated or cooled.

# Hands-on: Search and Save Content

Search

1. Create a folder for an upcoming lesson in **My Content**
2. **Discover** Trending, By Subject, By Standard, or search for multimedia content to use with students
3. Add your finds to **QuickList** or **My Content** folders
4. Subscribe to at least one **Channel**

# 3. Creating, Curating & Collaborating with Studio

# 4. Professional Learning

The background of the slide is a deep blue, underwater scene. It shows light rays filtering down from the surface, creating a serene and slightly mysterious atmosphere. The water has a subtle texture, and the overall color palette is a gradient of blues, from a lighter cyan at the top to a darker, more saturated blue at the bottom.

# Three Truths, One Lie

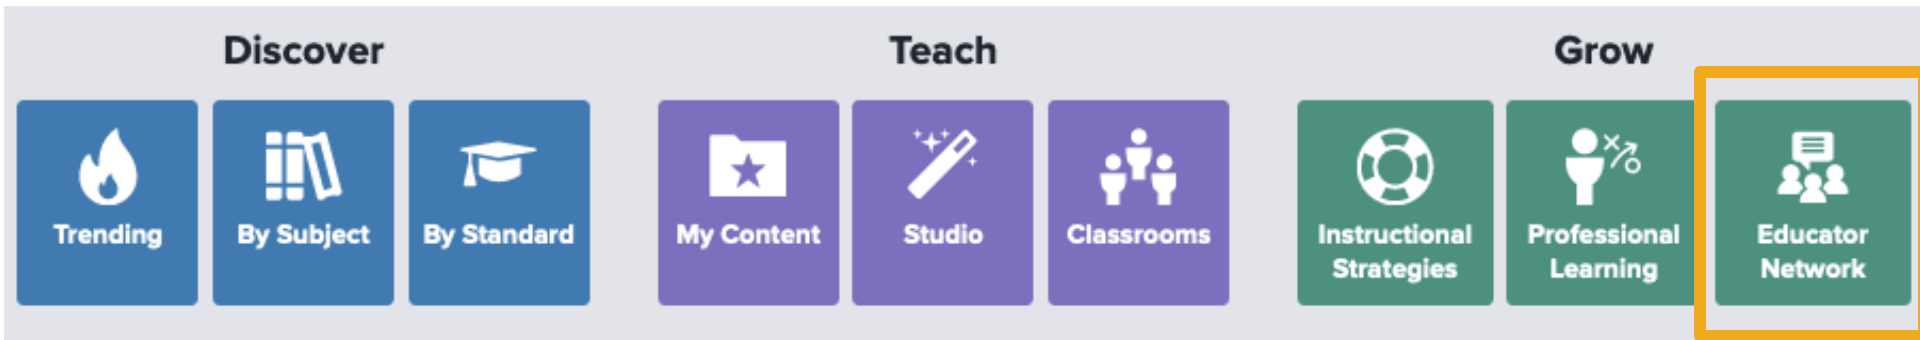

**Which of these statements is untrue?**

- A. Digital curriculum resources can be found by trending content, by subject or standard, or searched with a keyword.
- B. Studio allows teachers to create, assign, and collaborate with students on boards.
- C. Professional learning resources include a closer look at how Discovery Education supports educational priorities, like literacy and social and emotional learning.
- D. SOS Instructional Strategies are difficult to implement in daily instruction.

# 5. DEN Online Community

# Hands-on: Explore the DEN Online Community

1. Join the **Educator Network**: DEN Online Community
2. Search for a topic of interest, like **SOS** or **Literacy**
3. Ask a question or respond in a discussion group

# 25 Things You Didn't Know

**During this session, collect five new pieces of information on how Discovery Education Experience supports:**

1. Timely and relevant content, personalized to you
2. Discovering and organizing resources
3. Creating, curating, and collaborating on content
4. Professional learning and growth
5. Learning, sharing, and connecting with others
