

## Illuminate Data Wall Directions

1. Go to: <https://fraserk12.illuminateed.com/live//?SisLogin>
2. Login using SAML
3. You will be entering information via assessment.
  - a. Tap on **Assessments** on the left.
  - b. Tap **View Assessments**.

All Data Wall "Assessments" are titled the same way. 19-20 GRADE LEVEL (ie 5) ; SUBJECT, (ie READING), B-for beginning
  - c. Locate the assessment you want to work on. Open it.
  - d. At the top, tap **Responses**, and then **Enter/Edit**
  - e. Scroll down and click **Additional Filters**
  - f. In the Grade Level box, type the grade you want to work on
  - g. Click **Find Students**
4. Sort the assessment and the report by Tier. Tap on the Tier column until you sort by tier, high to low.
5. Record any Intervention information in the intervention column.
6. Record any notes for students that you want to appear on the data wall in the assessment.
7. The assessment should be **auto-saving**
8. Refresh the report occasionally. It will reflect the data entered into the assessment.
9. Once students are tiered create a list for your building secretary who will be printing letters. Please include Student name, grade, Teacher name, Tier, and subject area being tiered in.
10. Provide your building secretary with the list as she will be printing all Tier letters.
